

CLET TRAINING Where experience is acknowledged!

CPP20212

Certificate II in Security Operations

CPP20212 - Certificate II in Security Operations

This qualification meets licensing requirements for selected outcomes in all Australian States and Territories except NSW, Victoria and Western Australia.

Are you current or former police or military? CLET offers RPL for the CPP20212 Certificate III in Security Operations for those with experience in policing or military.

The CLET CPP20212 Certificate II in Security Operations meets licensing requirements in Australian States and Territories except NSW, Victoria and Western Australia.

Licensing requirements in the remaining States and Territories vary and it is the units of competency that make the difference. CLET monitor all licensing organisations and will issue the appropriate units of competency for licensing requirements in your State or Territory. It is these units of competency that will be assessed against in the RPL process. You do not need to identify the units, as CLET will do this for you.

Generally, the CPP20212 Certificate II in Security Operations will meet licensing requirements for base level roles such as unarmed security officer. Some combinations of units in some locations will allow for combined licensing with other roles. The CLET RPL Team will advise you of this, specific to your State or Territory, after the assessment is complete.

Apply for RPL now and get the process underway.
