CLET TRAINING

Where experience is acknowledged!

PUA50513

Diploma of Public Safety (Firefighting Management)

NATIONALLY RECOGNISED
TRAINING

PUA50513 - Diploma of Public Safety (Firefighting Management)

This qualification specifically recognises the skills and experience of firefighters

The CLET PUA50513 Diploma of Public Safety (Firefighting Management) is available via RPL for current or former firefighters. It is usually an option for those who have experience as a Station Officer or above for at least two years and have completed all relevant internal courses for this rank.

The PUA50513 Diploma of Public Safety (Firefighting Management) is an ideal qualification for those at rank who have not had the opportunity to receive PUA units of competency in their organisational training. This means that it is harder to be competitive both in the organisation and when seeking employment elsewhere. The Diploma of Public Safety (Firefighting Management) is essential to ensuring that you are as competitive as possible.

If you have experience in the country or metropolitan fire services, or similar, apply for RPL today with CLET and we will help you get the recognition you deserve.
